Item no.: 1020703

LED spotlights  
LED light without motion detector

## Description

- Stylish LED light 8.5 W
- Light emission at top (up-light)
- High-quality housing made from anodised extruded-aluminium profiles
- Suitable for outdoor use
- High IP 55 protection rating for outdoor installation
- Easy installation with socket
- Wireless connectivity
- Exceptionally efficient thanks to high light output
- Long-lasting LEDs: service life of 50,000 hours
- Product design by ID AID

## Technical data

| theLeda D UL AL               |                              |
|-------------------------------|------------------------------|
| Operating voltage             | 230 V AC                     |
| Frequency                     | 50 - 60 Hz                   |
| Stand-by consumption          | ~0.5 W                       |
| Colour                        | Aluminium (similar RAL 9010) |
| Installation type             | Wall installation, Outdoor   |
| LED output (lighting current) | 760 lm                       |
| Colour temperature            | 3000 K, warmwhite            |

| theLeda D UL AL        |                  |
|------------------------|------------------|
| Colour rendering index | < 80             |
| Service life           | L80/B10/50.000 h |
| Ambient temperature    | -25°C ... 45°C   |
| Protection class       | II               |
| Type of protection     | IP 55            |
